This document includes important information to help you compare the investment options under your investment plan. If you want additional information about your investment options, you can get it from the plan administrator. The plan administrator's address is shown below on your plan document. (Insert name of plan administrator on this page.) or [insert telephone number and address]. A free paper copy of the information available on the Web site [ ] can be obtained by contacting [insert name of plan administrator on this page] or [insert telephone number].

**Document Summary**

This document has 3 parts. Part I consists of performance information for plan investment options. This part allows you to see what the investments have performed in the past. Part II shows you the fees and expenses you will pay if you invest in an option. Part III contains information about the strategy options under your investment plan.

**Part I. Performance Information**

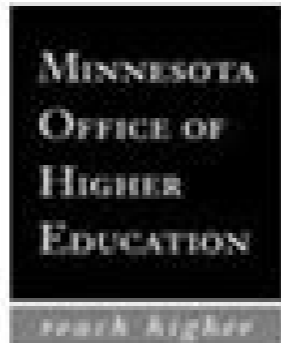

Table 1 focuses on the performance of investment options that do not have a fixed or stated rate of return. Table 1 shows how these options have performed over time and allows you to compare them to other appropriate benchmarks for the same time periods. Past performance does not guarantee future performance of the investment options or its performance in the future. Your investment in these options could lose money. Information about an option's principal risk is available on the Web site [ ].
